

We strongly urge our clients to strictly observe the measures being implemented by the Office of the President during Enhanced Community Quarantine (ECQ).

The Optical Media Board (OMB) will be implementing the following guidelines during ECQ:

1. OMB will be on a work from home arrangement to ensure delivery of services during ECQ.
2. For those who wish to apply for an OMB clearance/permit, kindly submit your requirements and application form/s to omb.permits@gmail.com.
3. If a client has an OMB clearance/permit scheduled for release to claim your shipment from the Bureau of Customs (BOC), kindly inform us beforehand for proper coordination with BOC.
4. During this period, you may use the issued OMB official receipt to secure your shipment, in lieu of the OMB clearance/permit.
5. OMB licenses will have a 30-day extended expiration or until ECQ has been lifted or extended.
6. All scheduled hearings of administrative cases are suspended until further notice.

Inquiries may be directed to info@omb.gov.ph or through our official Facebook page. Your patience and understanding is greatly appreciated. Thank you for your kind cooperation to these measures.
